Information

- multifunctional, pillar-free hall on the ground floor of the Herzog & de Meuron hall complex
- accessible from the South Foyer or via a raised walkway from the Congress Center Basel
- direct access to the South Gallery and MCH Lounge
- partition walls reduce the hall size from 3,300 m² to 2,600 m², improving the acoustics still further
- daylight possible through the glazed rear wall
- Fully air-conditioned
- flexibly installable stage
- basic AV systems that can be extended in increments
- pre-rig designed especially for the hall, also suitable for elaborate event installations
- unique inscription system with a 112 m-long LED light band in the foyer
- Minergie Standard Label BS-054
